

# Build An Event Management System Using Salesforce

**Team mates,**

Ranjith

Praveen

Naveen

Mohamed Salman Fariz

The project aim is to provide real-time knowledge for all the students who have basic knowledge of Salesforce and Looking for a real-time project. This project will also help those professionals who are in cross-technology and want to switch to Salesforce. With the help of this project they will gain knowledge and can include it into their resume as well.
